

C-Track 50 list of German technical contacts and organizations related to energy and climate planning

Organization/Company	Short Description	Contact Information
German Energy Agency - dena	<p>dena is Germany's center of expertise for energy efficiency, renewable energy sources and intelligent energy systems. As the "Agency for the Applied Energy Transition" we contribute to the attainment of energy and climate policy objectives.</p> <p>We develop solutions and put them into practice, both nationally and internationally. In order to achieve this, we bring together partners from politics and industry across all sectors - with an enthusiasm for one of the most exciting challenges of our time.</p>	<p>Deutsche Energie-Agentur GmbH (dena), German Energy Agency</p> <p>Chausseestrasse 128a 10115 Berlin, Germany</p> <p>Tel: +49 (0)30 66 777 - 0 Fax: +49 (0)30 66 777 - 699</p> <p>info@dena.de</p>
German Environment Agency - UBA	<p>The UBA's motto, For our environment ("Für Mensch und Umwelt") sums up our mission pretty well, we feel. As Germany's main environmental protection agency, our task is to ensure that our fellow citizens have a healthy environment with clean air and water, free of pollutants to the greatest extent possible. Here at the UBA, we concern ourselves with an extremely broad spectrum of issues, including waste avoidance, climate protection, and pesticide approvals.</p> <p>Our work centers around gathering data concerning the state of the environment, investigating the relevant interrelationships and making projections – and then, based on these findings, providing federal bodies such as the Ministry of the Environment with policy advice.</p>	<p>Wörlitzer Platz 1 06844 Dessau-Roßlau Germany</p> <p>Telephone: +49-340-2103-0 Fax: +49-340-2103-2285</p> <p>Email: buergerservice@uba.de</p>
adelphi	<p>adelphi is a leading independent think tank and public policy consultancy on climate, environment and development. Our mission is to improve global governance through research, dialogue and consultation. Our staff of more than 200 provides</p>	<p>adelphi Alt-Moabit 91 10559 Berlin</p>

	high-quality interdisciplinary research, strategic policy analysis and advice, and corporate consulting.	<p>T +49 (30) 8900068-0 F +49 (30) 8900068-10</p> <p>Office Munich Landwehrstrasse 37 80336 München</p> <p>T +49 (30) 8900068-140 F +49 (30) 8900068-10</p> <p>office@adelphi.de</p>
German Institute for Urbanistic (Difu)	The German Institute for Urban Studies (Difu) is the largest urban research institute in the German-speaking area. It advises municipalities on all tasks that they have to deal with today and in the future.	<p>Deutsches Institut für Urbanistik gGmbH Standort Berlin</p> <p>Zimmerstraße 13-15 10969 Berlin</p> <p>+49 30 39001-0 difu@difu.de</p>
Association for International Cooperation (GIZ)	As a service provider in the field of international cooperation for sustainable development and international education work, GIZ is dedicated to shaping a future worth living around the world. GIZ has over 50 years of experience in a wide variety of areas, including economic development and employment promotion, energy and the environment, and peace and security. The diverse expertise of our federal enterprise is in demand around the globe – from the German Government, European Union institutions, the United Nations, the private sector and governments of other countries. GIZ works with businesses, civil society actors and research institutions, fostering successful interaction between development policy and other policy fields and areas of activity.	<p>Bonn and Eschborn Germany</p> <p>Friedrich-Ebert-Allee 32 + 36 53113 Bonn Germany T +49 228 44 60-0 F +49 228 44 60-17 66</p> <p>Dag-Hammarskjöld-Weg 1 - 5 65760 Eschborn Germany T +49 61 96 79-0 F +49 61 96 79-11 15</p>

<p>Wuppertal Institute for Climate, Environment and Energy</p>	<p>The Wuppertal Institute sees itself as a leading international think tank for sustainability research focused on impacts and practical application. The organisation's activities are centred on developing transformation processes aimed at shaping a climate-friendly and resource-efficient world.</p>	<p>E info@giz.de I www.giz.de Wuppertal Institut für Klima, Umwelt, Energie gGmbH Döppersberg 19 42103 Wuppertal Germany PO box 10 04 80 42004 Wuppertal Tel.: +49 202 2492-0 Fax: +49 202 2492-108 info@wupperinst.org</p>
